Memo No. 2827 Dated: 06/07/2026

Sub:- Regarding Building Safety Certificate.

Ref:- Your office letter Memo No. PSR/4364 dated 16.06.2026.

In this connection, it is intimated that the building of DAV Centenary Public School Radaur has been inspected by Sub Divisional Engineer, Provincial Sub Division No. I, PWD B&R Br., Yamuna Nagar along with concerned JE and has reported that upon visual/physical inspection, the building apparently seems to be safe as no crack/settlement has been observed during the inspection. However as far as seismic factor and structural stability of the building is concerned, the advice/opinion of the structural consultant may be sought because this office does not issue the structural safety certificate of any building. This certificate is valid for one year only.

This is for your information and further necessary action please.
